**Post ref:**

**Contract:** 2 year fixed term

**Location:** City Hall with hybrid working option

**Hours:** Full time, 37 hours

**Grade:** 8

**Salary:** £36,922 - £39,880 per annum, pro-rata

**Closing date:**

**Interview date:**

Norwich City Council is an ambitious, progressive, forward-looking authority. Against a backdrop of reducing funding, we are determined to keep delivering high quality services for our residents and to work in partnership across our city to protect what is great and overcome the challenges we face. Future Shape Norwich is Norwich City Council's strategy for service reform to ensure the city continues to thrive.

We're looking for a qualified and talented project accountant to join the Council on a two year fixed-term basis to work with the strategy team and service leads to provide financial support to the delivery of strategic projects.

The successful candidate will bring strong analytical and business partnering skills, and provide effective customer-focused accountancy support. They will also have excellent communication skills and be able to build strong working relationships with both financial and non-financial individuals at all levels.

If you can bring energy, enthusiasm and have a proven track record in project accounting and service improvement then we want to hear from you.

For more information or to arrange an informal discussion please contact Hannah Simpson, Head of Finance, Audit & Risk: [hannahsimpson@norwich.gov.uk](mailto:hannahsimpson@norwich.gov.uk).
